

County of Los Angeles Fire Department

HEALTH HAZ MAT DIVISION

City Government Facilities Symposium

This Department is responsible for ensuring compliance with applicable hazardous materials/waste laws and regulations at all facilities under its jurisdiction. Government facilities are subject to the same State and federal requirements as private businesses. The Los Angeles County Fire Department's Health Hazardous Materials Division is pleased to invite you and staff to a Government Facilities Symposium to provide compliance information. Your attendance will assist in gaining an overview of your hazardous materials/waste regulatory responsibilities.

Topics to include:

- ✓ Hazardous Waste Requirements
- ✓ Hazardous Materials Handling/Inventory
- ✓ Consolidated Contingency Plans (CCP)
- ✓ Universal Waste Management
- ✓ Underground Storage Tanks (UST's)
- ✓ Enforcement Liability
